

2ND NATIONAL CONFERENCE ON CHEMICAL TECHNOLOGY

NATIONAL RESEARCH INSTITUTE FOR CHEMICAL TECHNOLOGY, ZARIA

[HYBRID EVENT]

NCCT 2023

CALL FOR PAPERS

THEME:

New Frontiers and Opportunities in
Chemical Technology for Sustainable
Growth Paths in Chemical Industry

SUB-THEMES

- ▶ Green chemistry and green technology
- ▶ Road map for green chemical technology in Nigeria
- ▶ Chemical technology in food production, processing and preservation
- ▶ Biopesticides and nematocides
- ▶ Nutraceuticals and natural products
- ▶ Sustainable high value nutrient alternatives
- ▶ Chemical technology in waste management: a waste to wealth approach
- ▶ Industrial emission, quality control and monitoring
- ▶ Industrial risk assessment and management
- ▶ Bioinformatics and computational chemistry
- ▶ Artificial Intelligence and chemical technology in Nigeria
- ▶ Advances in analytical tools for environmental, biochemical/chemical research
- ▶ Energy: fossil, biomass, biofuels, fuel cells and photovoltaic etc.
- ▶ New trends in textile and allied industries: smart, medical and geotextiles
- ▶ Catalysts/enzymes for industrial applications
- ▶ Nanochemistry/material science and technology
- ▶ Decarbonization & transition to low carbon economy: opportunities for green jobs
- ▶ Green chemical technology: policies, strategies and implementation

CHIEF HOST: Prof. Jeffrey T. Barminas
(DG/CEO NARICT)

DATE: 14th - 17th Nov. 2023
TIME: 8:00 AM DAILY

CONFERENCE FEES

Standard	N25,000
Postgraduate	N17,500
Undergraduate	N12,000

VENUE: NATIONAL RESEARCH INSTITUTE FOR CHEMICAL TECHNOLOGY
KM 5, OLD KANO ROAD, BASAWA, ZARIA, NIGERIA

BANK ACCOUNT DETAILS: UBA - 2306312816
NAME: NATIONAL CONFERENCE ON CHEMICAL TECHNOLOGY

IMPORTANT DATES

01-07-2023
Registration/Paper
Submission Opens

01-10-2023
Paper submission deadline

22-10-2023
Acceptance notification

06-11-2023
Presentation material
submissions deadline

14-11-2023
Conference start
